

**My Prayer to the Father**

**By Shawnie Cannon**

*(Inspired by the Lord's Prayer in Aramaic)*

*Abwûn*

*Heavenly Father*

O thou Great Man of Holiness, from whom the gift of  
existence, creation and blessing comes.

*d'bwasmâja*

Thy glory & shining rises & fills all eternal realms with light & power.  
(And powers the potential ability of all things)

*Nethkâdasch schmach*

May the Light of Christ be experienced in my utmost holiest.  
(Help me let go, Clear the space inside of busy forgetfulness)  
(Gift the Spirit within me)

This is where you meditate, pause to get yourself in a real prayer mode. Wait  
until you feel present and connected. Compare this to "Thy kingdom come".

*Têtê malkuthach.*

Unite my will (literally my "I can") to thine - so I can walk as  
A queen (or king) with every creature.  
(Grant me unity with the Savior. Touch me with the power of Heaven)

Notice the message of our own potential and our divinity in these words. This  
is where you insert your purpose, your idea, your intent, your reason(s) for  
praying. You're praying to partner wills, intent and problem-solving and be  
empowered with Him to accomplish righteous designs.

*Nehwê tzevjânach aikâna d'bwasmâja af b'arha.*

Let your will be manifest in me and let it come true on earth  
just as it does in all the universe (in all creation).

*Hawolân lachma d'sûnkanân jaomâna.*

Grant what I need each day in understanding, insight and  
sustenance for those who cross my paths.

*Waschboklân chaubên wachtahên aikâna daf  
chnân schwoken l'chajabên.*

Loose the cords of mistakes binding me, empower me to  
release the strands I hold of other's guilt.

*Wela tachlân l'nesjuna*

Don't let superficial things delude me.  
(materialism, common temptations and distractions)

*ela patzân min bischa.*

but free me from what holds me back from my true purpose.

*Metol dilachie malkutha wahaila wateschbuchta l'ahlâm almîn.*

From You comes the lively strength to act. Please gift the vital force,  
the energy, the glorious harmony, the song, the rejuvenation,  
the returning light, the power, the glory that beautifies all  
and renews itself from age to age.

I say these things sealed in trust, hope and faith.

*In the name of Christ, my Elder Brother*

*Amên.*

(I confirm with my entire being)  
(Power to these statements)
