

Quote #3

List of Gifts by Elder Uchtdorf

“It may be true that our spiritual gifts are not always flashy, but that does not mean they are less important. May I share with you some spiritual gifts that I have noticed in so many members across the world? Contemplate whether you have been blessed with one or more gifts like:

- Showing compassion.
- Noticing people who are overlooked.
- Finding reasons to be joyful.
- Being a peacemaker.
- Noticing small miracles.
- Giving sincere compliments.
- Forgiving.
- Repenting.
- Enduring.
- Explaining things simply.
- Connecting with children.
- Sustaining Church leaders.
- Helping others know that they belong.

“You might not see these gifts displayed at the ward talent show. But I hope you can see how precious they are to the Lord’s work and how you might have touched, blessed, or even saved one of God’s children by your gifts. Remember: “By small and simple things are great things brought to pass.”

“So let us each do our little part.”
